**APPLICATION OVERVIEW**

In order to assist petitioners through the rezoning process, petitioners are highly encouraged to attend a pre-application conference prior to application submittal. Petitioners are requested to review the sections of the Zoning Ordinance specific to zoning amendments and conditional zoning districts prior to submission, and advised to contact Planning Staff with any questions. The following sections of the Zoning Ordinance pertain specifically to zoning amendments and conditional zoning districts:

- Section 55.3: Conditional Zoning Districts
- Section 110: Amending the Ordinance
- Section 111: Petitions
- Section 112: Approval Process

Applications for zoning amendments must first be considered by the New Hanover County Planning Board at a public hearing. The Planning Board will make a recommendation to the County Commissioners which will take final action on the permit application in a quasi-judicial public hearing. Attendance at all public hearings is required. The public hearings will allow staff, the applicant, proponents and opponents to testify in regards to the request. Unless otherwise published or announced, Planning Board meetings are held on the first Thursday of each month at 6:00PM in the Commissioner's Assembly Room at the Historic County Courthouse located at Third and Princess Streets, Wilmington, North Carolina. All meeting dates and application deadlines are published on the New Hanover County Planning website.

**CRITERIA REQUIRED FOR APPROVAL OF A CHANGE OF ZONING**

Conditional Use District Zoning is established to address situations where a particular land use would be consistent with the New Hanover County Land Use Plan and the Zoning Ordinance objective but for which none of the general zoning classifications which would allow that use are acceptable. The applicant should explain, with reference to attached plans (where applicable), how the proposed use satisfies these requirements. The applicant has the burden of proof and must provide sufficient evidence in order for the required findings to be met.

You must explain in the space below how your request satisfies each of the following requirements (attach additional sheets if necessary):

1. How would the requested change be consistent with the County’s Policies for Growth and Development?
  
2. How would the requested zone change be consistent with the property’s classification on the Land Classification Map?
  
3. What significant neighborhood changes have occurred to make the original zoning inappropriate, or how is the land involved unsuitable for the uses permitted under the existing zoning?
  
4. List proposed conditions and restrictions that would mitigate the impacts of the proposed use(s).

**If an applicant requests delay of consideration from the Planning Board or Board of County Commissioners before notice has been sent to the newspaper, the item will be calendared for the next meeting and no fee will be required. If delay is requested after notice has been sent to the newspaper, the Board will act on the request at the scheduled meeting and are under no obligation to grant the continuance. If the continuance is granted, a fee in accordance with the adopted fee schedule as published on the New Hanover County Planning website will be required.**

**By my signature below, I understand and accept all of the conditions, limitations and obligations of the Conditional Use District zoning for which I am applying. I understand that the existing official zoning map is presumed to be correct. I understand that I have the burden of proving why this requested change is in the public interest. I certify that this application is complete and that all information presented in this application is accurate to the best of my knowledge, information, and belief.**
